MEMORANDUM AND ORDER

This matter is before me on the petition of Kevin Moore for a writ of habeas corpus under 28 U.S.C. § 2254. I referred this matter to United States Magistrate Judge Frederick L. Buckles for a report and recommendation on all dispositive and non-dispositive matters pursuant to 28 U.S.C. § 636(b)(1). On June 27, 2008, Judge Buckles filed his recommendation that the petition of Mr. Moore for a writ of habeas corpus be denied. The Petitioner has not filed any objections, and his time for doing so has expired.

After careful consideration, I will adopt and sustain the thorough reasoning of Magistrate Judge Buckles set forth in support of his Report and Recommendation of June 27, 2008.

Accordingly,

IT IS HEREBY ORDERED that the Report and Recommendation of the Magistrate Judge [# 16] be adopted in its entirety, and the petition of Kevin Moore for a writ of habeas corpus [#2] be **DISMISSED** without further proceedings.

IT IS FURTHER ORDERED that no certificate of appealability will be issued, as none of the grounds raised present issues on which reasonable jurists could differ.

A separate judgment will be entered this same date.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE

Dated this 28th day of July, 2008.
